Product Description	Type Designations	Category	Product Group	Product Sub Group
Check/Globe/ Gate Valves	Various	2	Ex equipment	Non-electrical

Technical documentation:

The following documentation has been received and stored:

Document No	Document Name
BFS-ATEX-2017, Rev. A	Technical Construction File (According to 2014/34/EU ATEX Directive)

Terms and conditions

The product liability rests with the manufacturer, his representative or, in the absence of a representative, the importer, in accordance with the General Product Safety Directive 2001/95/EC

The following conditions may render this acknowledgement invalid:

- Changes in the design or construction of the product.
- Changes or amendments to the referenced directive(s).
- Changes or amendments in the standards which form the basis for documenting compliance with the essential requirements of the directive(s).

Conformity declaration and marking of product

In order to fully meet with the requirements of the Directive and legally affix the CE mark, the manufacturer must take all measures necessary to ensure that the manufactured product comply with the technical documentation and with the requirements of the Directive and finally draw up an EU declaration of conformity.
