B.F.E. S.r.l.	Via Tonale, 70/A - 24061 Albano Sant'Alessandro (BG) - Italy			PRJC-413270 PRJN-239758_2024-03-28_RP_RC_00

Performed Audits

DNV has carried out the Assessment of the Manufacturers Quality System at the above listed site(s) to verify that the relevant requirements relating to the above listed product(s) have been implemented.

Applications

The approval is based upon B.F.E. S.r.l. Management System documentation submitted and verified during the audit and for the products listed above, including, but not limited, to the following procedures:

Document No.	Title	Rev.
MQA	Quality Management System Manual	BB
WP17	PED/PER Procedure	8

Limitations

The certificate is subject to the following limitations:

- In case of damages caused by defective products, The Consumer Protection Act 1987, as amended, will apply
- The certificate is only valid for the products and/or manufacturing premises listed above.
- The certificate is only valid for designs based upon the non-designated product standards listed above.
- The Manufacturer shall fulfil the obligations arising out of the quality system as approved and uphold it so that it remains adequate and efficient.
- The Manufacturer shall inform the local DNV Office of any intended updating of the quality system and DNV will assess the changes and decide if the certificate remains valid.
- The Manufacturer shall inform the local DNV Office of any addition of products outside the scope for this Certificate and DNV will decide if a reassessment of the quality system is required.
- Periodical audits will be held, in order to verify that the Manufacturer maintains and applies the quality system. DNV reserves the right, on a spot basis or based on suspicion, to pay unannounced visits.
- The local DNV Office must be informed of any sub-suppliers for main pressure retaining parts.

The following may render this Certificate invalid:

- Changes in the quality system.
- Periodical audits not held within the allowed time window.

Lack of fulfilment of conditions as set out in the Certification Agreement may render this Certificate invalid.

Conformity declaration and marking of product

When meeting with the terms and conditions above the Manufacturer may draw up a Declaration of Conformity and legally affix the UKCA mark followed by the UK Approved Body identification number of DNV UK Limited, No. 0097.

Terms and conditions for the certificate

Please refer to the PE(S)R Special Conditions for Services performed by DNV, UKAS Accredited Certification Body No. 6086, as an Approved Body in accordance with The Pressure Equipment (Safety) Regulations 2016.

Disclaimer

Unless otherwise stated in the applicable contract with the holder of this document, or following from mandatory law, the liability of DNV AS, its parent companies and subsidiaries as well as their officers, directors, and employees ("DNV") arising from or in connection with the services rendered for the purpose of the issuance of this document or reliance thereon, whether in contract or in tort (including negligence), shall be limited to direct losses and under any circumstance be limited to 300,000 USD.
