FROM: J. Rick Leone @ Bonney Forge
DATE: March 31, 2011
SUBJ: Forged Steel Valves FSV-831
RP&C Forged Steel Valves RPC-06
Cast Steel Valves CSV-7

Effective May 2, 2011, the following price increase will be effective:

- Forged Steel Valves FSV-831 & RPC-06. Weighted average increase as follows:
 - Commodity Valves: 7% over FSV-830 & RPC-05
 - Special Valves: 7% over FSV-830 & RPC-05
- Cast Steel Valves: Weighted average increase of 5% over CSV-6.

This increase is precipitated by rising steel, energy, and transportation costs and will be reviewed again at the end of the year. Acceptance of hedge order quantities will be based upon your past purchasing history.

Price Sheets may be downloaded directly from our website (www.bonneyforge.com) in the next few weeks.

All other related terms and conditions remain unchanged.

Once again, thank you for your continued support on all Bonney Forge product lines and if you should have any questions or comments, please do not hesitate to contact me at (800) 345-7546 ext. 2413.

Sincerely,
