DATE: March 23, 2022
SUBJ: Stainless Forged Steel Fittings LSS-4

On April 11, 2022, the following price increase will be in effect:

- Stainless Forged Steel Fittings LSS-4. This is an increase of 13% over Price Schedule LSS-3.

This increase is precipitated by rising raw material and overall operating costs. Should these costs continue to escalate, we will be required to further adjust our prices accordingly.

Price Sheets may be downloaded directly from our website (www.bonneyforge.com) in the next few weeks.

All other related terms and conditions remain unchanged.

Once again, thank you for your continued support on all Bonney Forge and WFI product lines.

Sincerely,

Jamie Hicks
Manager- Inside Fitting Sales
